

Common Ground is an established professional dance company- led by Deaf artists. Workshops led by our Artistic Director, Denise Armstrong, are now available to YOUR school.

All our workshops are designed individually and can be anything from half a day to a full week culminating in a performance or “sharing”, depending on your needs.

Our workshops take their inspiration from a range of sources including:

Visual Arts

The Human Body

Themes (e.g. the sea)

Environmental Issues

Cultures and Civilisations

Elements

Colours

Images of the self

Children and young people benefit enormously from our workshops in a number of ways:

They have FUN!

Communication Skills

Self Expression

Introduction to a New Culture (Deaf culture)

Exercise

Creative Challenge

Spatial Awareness

Teamwork

And many more.....

Our workshops are designed to be accessible to all, regardless of age or ability. We have worked with groups of severely disabled young people as well as groups from mainstream schools.

Workshops are led by one or more of our professional dancers and often use a live musician.

Workshop costs from £300 – we are always happy to discuss costs! For further information or to explore your workshop needs (with no obligation), please contact us at info@signdance.com
